

JOB OPPORTUNITY FOR A LICENSED THERAPIST

Family Empowerment Program of Youth Heartline is looking for a licensed therapist to run weekly children's groups.

Qualifications:

Master's level degree in counseling or social work with experience/interest in running children's groups. Must hold current New Mexico license. Independent licensure not required. LMSWs can obtain hours towards their independent license. Must maintain professional liability insurance.

Salary: \$100 per session.

Responsibilities:

1. Develop and lead counseling group for children approx. 6-12 years old.
2. Report progress of group sessions to collective group staffing as needed.
3. Attend and participate in clinical consultations two times per cycle, paid at \$50 per session.
4. Prepare and maintain all necessary clinical case documentation including: weekly progress notes and treatment progress summaries for each client tie per cycle.
5. Maintain personal, current malpractice insurance.
6. Communicate with Clinical Consultant and FEP coordinator as necessary
7. Adhere to any other provisions included in the Therapist Contract.

Due to COVID restrictions, groups will initially be held online. However, candidates must be prepared to move to in person groups when it is mutually determined to be safe.
